President's Message

First of all I would like to congratulate Florence Barr for turning 100 years old!! If you see her, be sure to wish her a Happy Birthday. She has been very active in Golden Ponds for many years and is still going strong!!

Deb Beliveau, who has been the editor of this newsletter for the last three years, has decided to step down. She has done a fantastic job as editor of the monthly ATP. If you run into her around the ponds, please thank her.

Now the good news, Jeanne Jean and Mike Richardson have accepted the challenge of being co-editors of the ATP beginning with the December edition and Deb will work with them to ensure a smooth transition.

The annual Bazaar is set for November 6 – 8th. We need all the help we can get to make it successful. The proceeds are used by the HOA to support every activity in the park. Please contact Sonny Delaurentis at 609-206-9973 or any of the board members to get involved.

The annual Christmas drive-thru is set for Saturday December 13th. You will be hearing a lot more about this in the near future. Again, we will need all the help we can get!!

We sure are pleased that we get to spend the winter in paradise. I hope to see you soon around the ponds.

GOLDEN PONDS BOOK CLUB

We had a unique meeting on September 11th when we got together to talk about *Angry Housewives Eating Bon Bons*. None of the four of us had finished it. Sometimes, life just gets away from us. However, three of us; Joan, Pat and I were enjoying it and planned on finishing it. Linda was the only one who was not going to only because the print was too small making it difficult to read. I don't have a rating to give you today but let me share a little about the storyline.

A group of five women who all live on the same street started a book club back in the 60's. There is Audrey, a tall attractive woman with two little boys and husband with a roving eye. Kate is a widow who has lost the love of her life and adopts a mixed race baby. Merit has an abusive husband who is a doctor with a huge ego and short fuse. Faith has a wonderful husband but she struggles with the pain of her past. The last one, Slip, is a tiny redhead, a woman of the 60's who battles every injustice that comes along. These five live, grow and support each other over forty years. It is a good novel that shares the experience of friends who face life's challenges through good times and bad. Next month we are reading *Olive Kitterge* by Olivia Strout and we will meet on October 9.

Pick up a copy and read along with us.

LIBRARY

Our snowbirds are already returning and the library is getting busier with returned books and donated books. This past month we continued to work on the Robyn Carr books that have been turned into television series. We have now organized the books that are in her Virgin River Series. You will find these in the paperback books as you enter the library on the right hand side behind the glass doors. They are numbered with pink spine stickers. We only have nine at this time but as they get donated, they will be numerically put in order as they were written for the series.

Also the series written by Sherryl Woods in the Chesapeake Shores are numbered for you. We have 6 out of the 14 that the series is based on. You can find these on the shelves on the left side of glass doors as you enter the library. These have flesh colored stickers on the spines of the books. As we get more donated, those will be numbered for your reading pleasure.

Thanks again for all your donations this past month. Happy Reading and welcome home.

COMPUTER HELP!

If you've ever felt like throwing your
phone, iPad or computer across the
room in frustration, help is on the way!
On Friday October 17 three 'techies' are
coming from Lakewood Park Library to
Golden Ponds to help solve some of our
problems and answer any questions that
we may have. I encourage you to make a
short list of some of your issues and
sign up on the sheet in either the North
or South clubhouse. Make sure you
bring your device and your passwords to
access any sites or programs you have
questions about and come to the South
Clubhouse between 2:30-4:30. You will
be taken on a first come - first served
basis. The team came a few years ago
but at that time we didn't have internet
access in the clubhouse, therefore there
were things they weren't able to help us
with. Since that time Mr Barding has
made it available which gives us many
more opportunities.

Don't miss the chance at some free
advice.

Update on Golden Pond Shirts

I will not be ordering any more shirts or hats.
Linda Dusanek, in our park, has our Golden
Ponds logo and will be glad to sew it on
most items or shirts.

Contact her Mondays-Saturdays from
9:00AM to 2:00PM. See the ATP ads section
for her information.

Thank you, Barbara Chenette

LOOKING FOR VOLUNTEERS

I am looking for eight volunteers to assist in sorting through the items and totes that are behind the curtains to the left of the stage in the South Clubhouse. It would be great if we could get this done in time for items to be donated to the bazaar. We did this several years ago and it made it much easier to locate decorations for an event that we might be hosting.

The date that has been selected is Tuesday, October 14 from 9:00-1:00. The time may be extended either longer that day or perhaps for a couple of hours on Wednesday, if needed.

If you are willing to help, please call me at 407-346-0993 or you can send me a message at that same number. Thanks to anyone who volunteers their time.

OCTOBER POTLUCK SUPPER

Saturday the 17th at 5:00 South Clubhouse. As we always do, let's mix up a tasty main course, salad or dessert - whatever you would like and bring it to the clubhouse to share with old and new friends. The HOA will provide paper goods, tableware and ice. Since it's almost fall we could get into some of the flavors of the season.

Think fall y'all!

🍦 ICE CREAM SOCIAL 🍦

October may (or may not) be our last month of the ice cream socials. That will depend on how busy the calendar is and if you let me know if you would like them to continue. This month we will get the scoops and bowls out and do it again on Saturday, October 11th at 2:00. The charge at the door will still be an excellent deal of \$5.00. We guarantee you at least four choices of ice cream and more than a dozen toppings. Bring your friends and join us before it's too cold to enjoy ice cream.

Spooktacklar Dance

Let's put on a fun costume and celebrate the haunting season by dancing with music provided by our very own, Frank Genevick! I'm not sure if we are ending the summer season or getting a head start on the fall season. The dance will be held on Friday, October 31 from 7-10 in the South Clubhouse. Please, plan on bringing your beverage of choice and maybe some snacks to share. We will have ice and cups if you need them. The tickets will be sold Monday 10/20 - Wednesday 10/22 from 9-10:30 in the North Clubhouse with a cost of \$6.00 per ticket. We will be selling tickets for a Share the Wealth drawing. So, put on your thinking cap and come up with an idea for a great costume!

The 10:00 am water exercise class with weights will be held throughout the season, weather permitting!!

Sometimes we do not know the real struggles that service to our country can bring to those that serve and to the families that endure. But sometimes we can reflect on our own love and patriotism through cherished memories. It warms my heart to let you know that:

The flag flying at the clubhouse has been given by the Hanes family. This flag was flown over the United States Capital in memory of Robert Hanes for his birthday September 28.

Wow! Even though this isn't an official Federal Holiday month,...to me,... everyday is a reminder to love and cherish our freedom and give thanks to those that have served and to those that still do! On behalf of the GP Community, Thank you, Mr. Robert Hanes and to the Hanes family for this wonderful gesture of love, memory and patriotism!

Editor's Message:

Welcome Back! What a great summer it has been! But now it is goodbye to Summer and hello Fall! It is beautiful here in Golden Ponds - the grass is so green and the ponds are full of water and wildlife! The birds are loving this fall season as I can't help but hear the morning doves sing! I did notice some changes: more new concrete and much improved general lawncare! But it still is very quiet and peaceful. Folks are returning slowly and traffic is getting busier. Please watch out for the "new" stop light at the W Angle and Johnston Rd. intersection. Please be patient for it to change - we generally should not be in any hurry.

Please let me know if you see any errors or omissions in the newsletter and I will make every effort to correct it. Also, please contact an HOA board member or your local ATP carrier to help you obtain a copy of the ATP if you have not received one. I am unable to give out any phone numbers or addresses, so please check your GP phone book or ask a neighbor for contact information, if needed.

Also, I do ask that if anyone would like to have anything published, that you submit the information to me in an editable format by the 20th of each month so there is adequate time for handling. I use Google Docs for this newsletter and that would be the preferred program, but I can work with almost any. Please note that items for submission are subject to final approval for content. Some clip art, text boxes, photos and inserts may be edited for printing and are only printed in black and white. Please visit our GP website (address is on the first page) to see our ATP in all its beautiful color!

I can be reached anytime at debbeliveau@gmail.com. All submissions must be in writing to me by email. If you need to, please contact an HOA Officer and they can assist you with getting in touch with me. My number is in our phone directory. Please leave me a message and I will return your call as soon as I can. Thank you.

Sincerely, Deb Beliveau: Editor/Publisher
